

### **CLEAN FUELS GRANT PROGRAM (49 U.S.C. § 5308)**

The Clean Fuels Grant program was created to finance the purchase or lease of clean fuel buses and associated facilities and the improvement of existing facilities to accommodate clean fuel buses. Up to 25 percent of the funds for this discretionary program may be used for “clean diesel” buses. A bus built with lightweight composite materials can also be qualified as a clean fuels bus for this program.

A significant number of clean fuel bus and facilities projects are designated in SAFETEA-LU. Clean Fuels funds transferred to the Bus and Bus Facility program become indistinguishable and therefore the all the obligations for these funds cannot be tracked independently

In FY 2007, a total of \$15.7 million was exclusively obligated for the clean fuels program and to 8 grantees.
