ARRA Efforts Underway

- STIP Coordination Between FHWA & FTA
- Federal Reports
- State Reporting Requirements
- Grant application to FTA by April 30th

Comments - ARRA

“What’s Working and What’s Not”

- Sharing of information by FTA and other federal agencies
- ARRA qualifying projects identified in timely manner
- Involvement of SCDOT Commissioners
- Rapid response team at SCDOT
- Reporting requirements for the ARRA funds

Beyond the Recession:

Current Issues

- Additional state funds to match allocated federal funds
- Cost allocation for transit agencies
- Limiting subrecipients to 40% for Administration
- Operations wages associated with preventive maintenance are now capitalized
- Continue to increase ridership
- Doing more with less

Beyond the Recession: “The Road Ahead”

- Assisting providers in developing a cost allocation plan
- Developing an allocation formula
- Statewide oversight and compliance review of all our subrecipients
- Updating current SC State Management Plan
- Preparing for 2010 State Management Review
