REGION 10 BULLETIN NO: 07-14

SUBJECT: 2007 Apportionments, Allocations, Program Information and Discretionary Grant Programs

PROGRAM AREAS: Grants

DATE: March 23, 2007

The Federal Transit Administration issued five (5) *Federal Register* notices today regarding the 2007 apportionments, allocations, program information and discretionary grant programs. Since these notices represent a departure from how FTA has conducted its grant programs in past years and identify opportunities for grantees to access new sources of FY 07 funding, we recommend that you carefully review your agency's business needs and grant eligibility criteria and decide if you would like to submit a competitive application.

Specifically, they are:

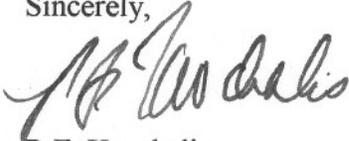

FR Vol & Page	Date	Subject
72 FR 13872	03-23-07	FTA Fiscal Year 2007 Apportionments and Allocations and Program Information; Notice
72 FR 13872	03-23-07	FTA Fiscal Year 2007 Apportionments and Allocations and Program Information; Notice (ERRATA and Corrections to Tables 8, 22, and 23)
