REGION 10 BULLETIN NO: 08-29

Subject: NTI's Transportation and Land Use Course

Program Area: Training

Date: July 9, 2008

The National Transit Institute (NTI) is presenting a FREE course (\$650 for consultants & contractors) entitled "**Transportation and Land Use**" at the Lane Council of Governments, 99 E Broadway, Ste 400, Eugene, Oregon on October 14-16, 2008.

This three-day course is designed to help practitioners develop a multimodal transportation system that supports desired land uses and help shape land uses to support the transportation system. The course will assist participants in understanding the relationships between transportation and land use; the processes through which transportation and land use issues can be jointly addressed; and implementation steps to ensure that transportation and land use systems are designed in a compatible, mutually supportive manner.

The course is targeted towards transit operators, metropolitan planning organization staff, Federal employees, state department of transportation planners and transportation specialists, city and county engineers and planners, resource agency staff and consultants. Secondary audience includes: elected officials, regulatory agency staff, local zoning officials, site designers, citizen activists, developers, media representatives, and business leaders.

If you are interested in attending, please follow this link <http://www.ntionline.com/CourseInfo.asp?CourseNumber=ID802> and register on line.

Seating is limited for this course, so register early. For further information, please contact Ned Conroy at 206-220-4318, or email ned.conroy@dot.gov.

Sincerely,

R.F. Krochalis
