

**Region X Preliminary Engineering Application Requirements**

<b>PE APPLICATION REQUIREMENTS</b>	<b>Date (<i>Target Date</i>) of Submittal by Grantee</b>	<b>Review Status by FTA</b>	<b>FTA Assessment</b>	<b>Information Gaps</b>	<b>Date (<i>Target Date</i>) of Re-submittal by Grantee</b>	<b>Comments</b>
1. Letter of Intent						Submit 3 to 4 months before target date of entry into PE
2. Evidence of FTA Approved Baseline						
3. Locally Preferred Alternative Selected						
4. Evidence that LPA is Adopted in Metropolitan Transportation Plan						

PE APPLICATION REQUIREMENTS	Date ( <i>Target Date</i> ) of Submittal by Grantee	Review Status by FTA	FTA Assessment	Information Gaps	Date ( <i>Target Date</i> ) of Re-submittal by Grantee	Comments
5. Draft EIS Approved						
6. LPA Meets All FTA/FHWA Planning and Programming Requirements Including ITS Conformity						
7. ADA Conformity						
8. New Starts submittal including Transportation System User Benefit						
9. New Starts Project Rating						FTA needs six to eight weeks after receiving information to issue rating.

Preliminary Engineering Application Matrix

PE APPLICATION REQUIREMENTS	Date ( <i>Target Date</i> ) of Submittal by Grantee	Review Status by FTA	FTA Assessment	Information Gaps	Date ( <i>Target Date</i> ) of Re-submittal by Grantee	Comments
10. Project Management Plan						
11. Grantee Submits Complete Application for Entry into PE						
12. Project specific issues (railroad agreements, intergovernmental agreements, etc...)
